

## Simply better returns with QPools

### Australian growers can now access the global reach and domestic support of Quadra through QPools.

At QPools we understand that in a dynamic and complex market place it's important to not get lost in the crowd. We bring a personal and customised approach to the sale of your grain, which is tailored for the needs and risks local growers face.

Our simplified model removes the complexity Australian growers face when selling their grain. We ensure growers get the best market access for their grain through the most efficient supply chains available. Backed by Quadra and their key shareholders of Macquarie Bank and The Andersons, you can be confident we'll be outperforming the market.
